# STUDY FOR A MASTER'S IN ADVANCED AESTHETIC & RESTORATIVE DENTISTRY WITH THE ACADEMY OF DENTAL EXCELLENCE AND THE UNIVERSITY OF PORTSMOUTH (UK)

## 3 YEAR PROGRAMME

- Years 1&2 - leading to the award of a PG Diploma in Advanced Aesthetic & Restorative Dentistry – awarded by the University of Portsmouth
- Blended learning format with onsite training at approved centres in UK
- Year 3 – at the University of Portsmouth – online programme – leading to the award of Master's in Advanced Aesthetic & Restorative Dentistry

More information about the MSc top-up can be found on the University of Portsmouth website here:  
<https://www.port.ac.uk/study/courses/msc-advanced-aesthetic-and-restorative-dentistry-top-up>

## MISSION STATEMENT

### Programme Mission

**“Educate dental clinicians on current evidence based treatment techniques and procedures. Enable application of these into day to day clinical practice whilst being prepared for future developments.”**

The blended learning format enables the busy dentist to complete a structured programme in the field of advanced aesthetic and restorative dentistry with due recognition without taking too much time off from practice. Barring the onsite workshops, students can mostly learn from the comfort of their own home and at their own pace. The assignments can also be submitted online.

## FACULTY FOR PG DIPLOMA PROGRAMME

The teaching faculty consists of world renowned Clinical Educators who are in clinical practice and have senior teaching posts at world renowned universities.
